

Tribo

DISC BRAKE PADS

for light rail vehicles (trams)

ABOUT TRIBO

TRIBO is the biggest manufacturer of friction and braking components in Eastern Europe with a product range consisting of more than 800 different articles.

TRIBO exports its products to more than 20 countries worldwide.

R&D CAPABILITIES

As a result of **TRIBO**'s own high-tech testing lab, the product development specialists are able to develop new, and improve current formulations and products.

We offer up to 50% longer product life cycle and reduction of the counter body wear by 35%, compared to most competitors at the same price.

FEATURES

- ☑ **Stable friction level**
  designed specifically for tramcars
- ☑ **Precise shape machining**
  for perfect fit into a brake system
- ☑ **Long-lasting friction formulation**
  up to 50% less material wear
- ☑ **Incredible price-quality ratio**
  lasts up to 35% longer

Thanks to the Tribo high R&D level, our factory is capable of developing new shapes and formulations upon request.
